Old Business

Talked about our June show and how we were disappointed that we took another hit. We had sent a letter to Wayne Diamond about the fairness of splitting of costs 50/50 when the ratio of horse numbers was 25/75. He responded that was our verbal agreement.

Cindy updated APHA with membership information to keep our Charter active. Cindy also questioned if the lower point of VA was still in our jurisdiction.

New Business

Discussed our upcoming August Show. We are looking forward to a joint show with Delaware Appaloosa Club. The Futurity info and forms need to be put on the Facebook page and advertised. The Futurity has roughly \$1,200.00 in the account. The club will give an additional \$1,000.00. The early entry fee is \$75.00, but also for the 1st time you can enter the day of for \$90.00 per Adina's suggestion to make the Futurity more user friendly. Money won in the Futurity will be mailed in a reasonable time after the show. New for 2018, only DPHC members will be eligible for Hi-Point & Res. Hi-Point weekend awards.

After our August show we will put into place our 2018 show schedule.

With club show losses in 2017 we will have to cut back on year end awards.

Anna Lia Sullivan was awarded our DPHC Scholarship for 2017.

Betsy motioned and Donna seconded to adjourn the meeting at 10:05 pm
